

New promotional Iridium Prepaid Plan offer from European Datacomm

As of 1 May 2010 European Datacomm will offer a **new promotional 750 minutes Iridium Prepaid E-Voucher**, especially designed for high-use seasonal customers in segments like tourism, hunting, trekking, mining or oil & gas exploration.

New Iridium 750 minutes prepaid E-Voucher offers lowest per minute global rate of all Iridium's prepaid vouchers.

Price for ISU-PSTN calls as low as US\$0.90/minute

Bundled with our Iridium 9555 handheld phone promotional offer, the 750 minute voucher makes the entire Iridium package price more valuable than ever for the traveler segments whose usage patterns require high amounts of minutes in less than 6 months.

Special conditions Iridium Prepaid 750 minutes/6 months Promo E-Voucher:

Recharges under the 750 minutes E-voucher promo plan are **NOT** available – no time or minute extensions possible; however, if the subscriber wishes to continue with any of Iridium's other Standard Prepaid Plans the simcard can be used with a new Standard E-Voucher and the subscriber **WILL** be able to maintain the current phone number and simcard as long as the account is **NOT** deactivated* before a new standard E-Voucher is loaded. (*Grace period of 90 days from the date of expiry applies).

If existing Prepaid users wish to purchase one of the 750 minutes E-Vouchers, please note that any minutes/units and expiry left on a simcard from an existing prepaid plan will be lost.

750 minutes Promo E-voucher (not bundled with 9555 phone purchase) **675,00 US\$**

The high volume discount promotional prepaid plan offers 50% more talk time compared to the 500-minute, 12 month e-voucher.
